

Volunteer Opportunities

Cedar Hills Ready! is a grassroots group of volunteers who are helping neighbors by offering educational events, information, and a variety of opportunities to learn about easy ways you can prepare. Your participation will make a difference in your life, as well as the lives of many others--your family, your neighbors, and your community. By participating, you are creating more caring, connected, and resilient neighborhoods. You'll make new friends, learn a lot, and have fun doing it. [Join our friendly group of neighbors and get more connected.](#)

We have a variety of volunteer roles, some require a minimum one-hour weekly commitment (on the Leadership team), while others can be as limited as a few hours at an event (on our Community Events team). We'd love to meet you! [Send us an email](#) or [check out our volunteer page](#). Or [fill our application](#).
